Spirit of 76

We
Celebrate
the Past
in the *spirit of seventy-six*

There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the "*Spirit of '76.*"

What was that spirit — and indeed what *is* that spirit?

It is a ***SPIRIT OF LIBERTY*** and the knowledge that one man's freedom is more important than anything else on earth.

*The State House of
Pennsylvania*

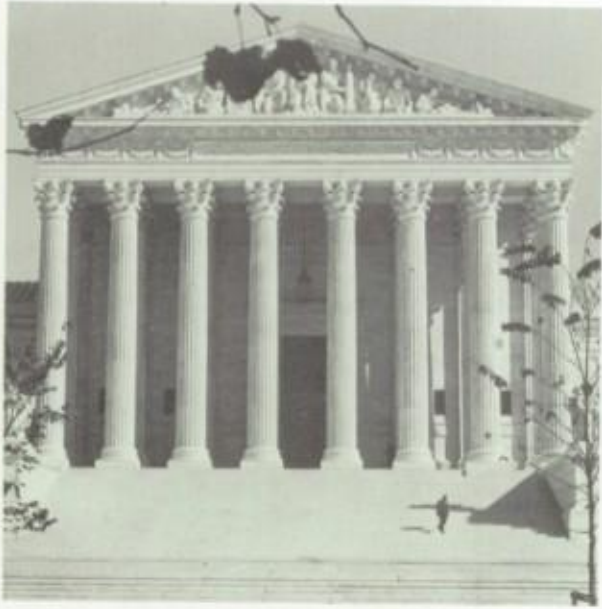

*The Birthplace of
the UNITED STATES
of AMERICA*

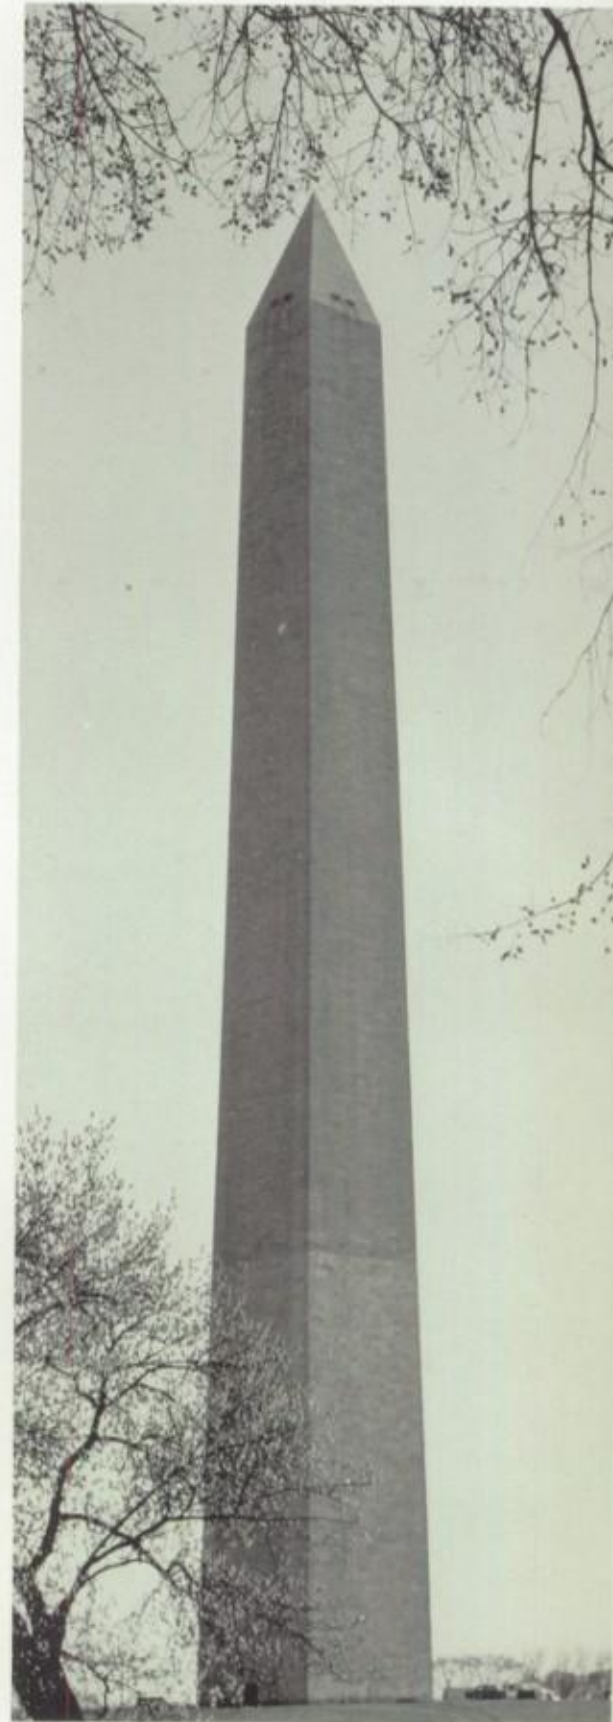

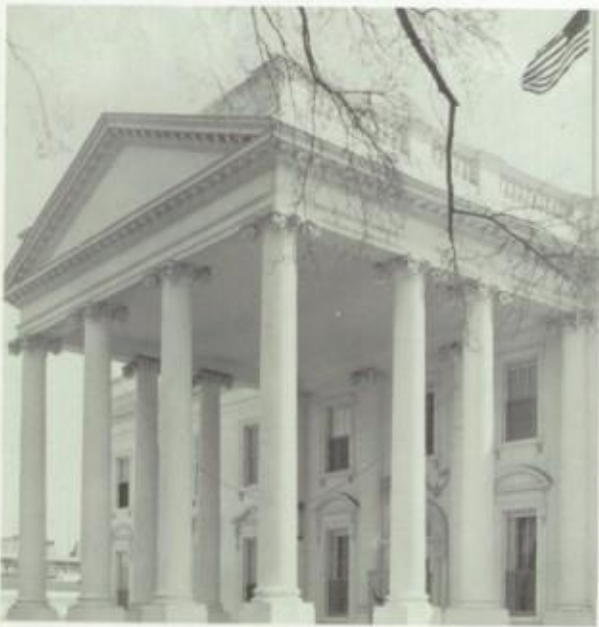

It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.

It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

The unanimous Declaration of the thirteen united States of America

It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

It is the ***SPIRIT OF FRONTIER*** — of not fearing to go where man has not reached.

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.

Indeed the "*SPIRIT OF '76*" was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

We can't even begin to express our appreciation and gratitude for the many years of your faithful and never-ending service. In this Bicentennial year we remember all past instances of our nation and that is why we, the yearbook staff, felt it most appropriate to commemorate you, Mr. George, for you have been such an outstanding patriarch in our high school's history.

Seniors

Make way for us; here we come.
We're the future - America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.

Hypocrisies won't get us down;
We will strike where these abound.
There's much to do; we're needed here,
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the Spirit of '76!

The players huddled in the gym listening to the final instructions from their coaches, "Shirts in, jewelery off - and no dirty plays!" The bleachers filled, the lights came on, and Wasco Union High School prepared for the 8th annual Powderpuff football game. The class of '76 again dominated the game with a score of 32 - 6. Know-how and speed brought our senior girls a well deserved victory. Our junior girls acquired the experience and the desire for a win next year. Congratulations to the seniors for an undefeated season and good luck to the juniors when again they huddle to listen to those last minute instructions.

Stefan

Dear Friends in Wasco,

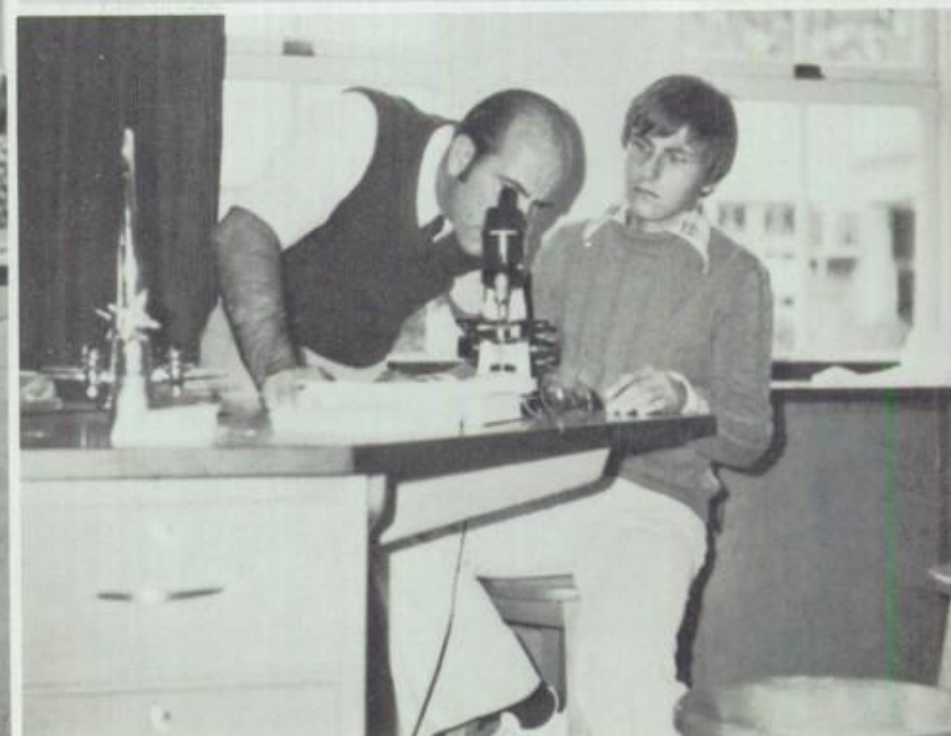

After my stay here I know that Wasco is crowded with super nice people. The friendliness and hospitality you showed me whenever and wherever I appeared made me really enjoy every single day. It's impossible for me to express all the fun and joy I had staying here with you and so I want to thank you all for the wonderful time I had here.

I hope that some of you will have the opportunity to visit my hometown on Lake Constance. Everyone of you would be really welcome to visit the Hoyer's down there.

Your Kraut,

With the strong addition of girls athletics, the "W" Club has grown greatly in numbers and enthusiasm. This year the "W" Club brought the Harlem Clowns to town featuring Wasco's own Otis Haley. This was a very profitable adventure for the club and exciting for the fans. With continued enthusiasm the "W" Club ought to grow in both numbers and prestige in the 1976-77 school year.

Essay Winners

In December Wasco High had an essay contest as one of its bicentennial activities. The contestants chose from three different topics. Mr. George was the judge. He read all the entries and he selected the top three papers. They belonged to La Reina Le Heath, David Tuttle, and Bobby Montgomery. They chose to write on "Why I call myself an American." La Reina, the first prize winner, received twenty-five dollars. David Tuttle and Bobby Montgomery received second and third places respectively. Congratulations to all the students who participated in the bicentennial essay contest.

A First

Lois George is the first student from Wasco High selected to attend the Youth Leadership Seminar. Lois is one of the students selected by the Kern County Chapter of the Freedom Foundation to attend their Youth Leadership Seminar held at the Freedom Foundation at Valley Forge this year. Along with attending the seminars, which offer high school boys and girls an exceptional opportunity to develop a better understanding and appreciation of the philosophy of American Government. Lois was given the chance to visit the many historic sites in Philadelphia and Washington, D. C. She was selected through an essay contest and interview. She attended this seminar April 8 through the 14.

The Wasco High Tigers, in the process of rebuilding, capped off their season with a 5-5 record. Second year coach Gary Chapman, after a disappointing first season, breathed new life into the Tigers. Led by twenty-two seniors, the Tigers ended the 1975 football season with a winning record, the first since 1969. With seventeen returning varsity lettermen, the Tiger lineup should be tougher than ever next year. Truly the Wasco High Tigers are a football team of which to be proud. Congratulations on a fine season.

Champions. This is the most precise way to describe this group of athletes. These young men hold in their hands the future of Wasco High football, and it is almost assured that they will turn Wasco into a powerhouse. Starting out last year, or two years ago for some of them, on the Frosh-Soph level, they showed the rest of the league what is in store for them for years to come. Their powerful offense hosts a superb group of running backs, who carry the brunt of the offense, but they are able to pick apart the opposing secondary with pinpoint passes to fleet-footed receivers. Their defense is also excellent. Many teams are happy to gain some yards against Wasco's defense, let alone score. They are an aggressive group of players, and will make many opposing coaches and teams.

Frosh-Soph Football

This year's Frosh-Soph team had trouble getting untracked. There was a lot of talent on the team, but they had a little trouble putting together what it takes for a winning season. The team played excellent ball, but the few turnovers they made spelled the difference between victory and defeat. They were a hard working group of athletes, and they will surely bring fame to Wasco High in the coming years.

Even though they lost valley champion, Sam Garcia, Wasco still had an excellent Cross-Country team. Led by senior, Lupe Arguello, Wasco's team performed well against the Bakersfield schools as well as in league competition. Some of the highlights of this year's season were the Wasco Invitational, the Kern County Invitational, and the Morro Bay Invitational. Wasco's team placed high in all of these meets. It also won the Sweepstakes trophy at Morro Bay. The depth of the team assures Wasco of excellent teams in the years to come.

Wasco plays a very rugged, difficult schedule, one designed to make the Tigers a competitive team in all facets of the game. Nearly all the pre-league games were with Yosemite league schools and to have a good record is difficult, particularly so this year when most of the squad has no varsity experience.

The season conditions gave the Tigers chances to quit, loaf, etc.; but anyone who followed the team can attest to the fact that this Tiger team continued to exert itself and work for improvement. The team improved both offensively and defensively as the year progressed.

The high point of the season was the great win against Garces at a time when Garces was undefeated. It was a team victory and did much to bring the team together.

This year coach Brandon's wrestlers once again proved themselves to be the powerhouse of the S.S.L. This was the third Varsity championship in a row for the Tigers.

The Varsity team finished the season with an eight win 0 loss record in league. Wasco's closest competitor was Shafter. The Shafter squad gave the Tigers a run for their money but the Wasco team was too much for them.

Wasco, which is known for its toughness in duel meet action, showed that it could also be strong in tournaments. The Tigers placed all thirteen of its wrestler in the top three spots at the League tournament. Among those thirteen wrestlers Wasco had six champions.

Coach Brandon hopes to bring home the first place trophy at Divisionals.

The Junior Varsity team also won the league title. This was the fifth championship in as many years.

This season coach Darby is hoping for another league championship. If the team is successful it will be the sixth varsity track championship in seven years. With over sixty athletes, the team has enough depth to also do well in the frosh - soph division.

Some of the highlights this year will be the Lemore Invitational, the Sanger Invitational, and the Reedly Invitational. Wasco will compete in both the varsity and the frosh - soph divisions at these meets. Wasco will take some of its varsity preformers to the West Coast Relays. Only the top athletes in the state are allowed to participate in this meet. Wasco will host its 22nd annual Wasco Relays this year. In this meet the athletes compete in three-man teams.

The 1976 Boys' Tennis team started the season with the return of seven players from the 1975 SSL Championship team. This years team was led by first singles player Stan Newman. Playing singles and doubles this year were Rodney Wallace, Dale Lucas, John Reiswig, Dan Hernstedt, Eric Schroeder, Roby Hunt, Lawrence Ontiveros, and Tony Cole.

This years team showed determination in every effort and were confident that they could carry on the fine tennis tradition at Wasco High School. In 1974 and 1975 the Wasco High Tennis team finished in the semifinals of the Valley play-offs, and this years team goal is to equal and improve on that effort.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes.

The second part of the paper focuses on the methodology used in the study. It describes the process of selecting participants, collecting data, and analyzing the results. The authors emphasize the importance of using a mixed-methods approach to capture both quantitative and qualitative data.

The third part of the paper presents the findings of the study. It shows that there are significant differences in learning outcomes between students from different cultural backgrounds. These differences are attributed to a variety of factors, including language barriers, social norms, and access to resources.

The final part of the paper discusses the implications of the findings for education. It suggests that educators should take steps to create a more inclusive and culturally responsive learning environment. This can be achieved through a variety of strategies, such as using culturally relevant materials, providing language support, and fostering a sense of community.
